Candian-born pop artist David Homyk now calls New York City home. Unlike the first two pop rock artists, he isn't backed by a band—He is the band. Homyk plays guitar, bass, piano, and is extremely skilled at arranging. He has been writing songs since he was in elementary school but found structure at the University of Virginia where he found his niche not only as a songwriter but as a record producer. His arrangements and drum tracks became a signature of Beyonce songs and other pop artists including Cherish, Solange, Cheri Dennis, and Sunshine Anderson. His original material is radio-friendly and very accessible to fans. This album, True Story, is available on iTunes, FM/Satellite/Internet Radio, and Amazon.
